Key Business updates

- ATGL received approval from the regulator, PNGRB for transfer of Letter of Authorization of Jalandhar GA pursuant to Business Transfer Agreement. Jalandhar GA in Punjab provides high volume growth opportunity to the Company.

Adani TotalEnergies E-mobility Limited (ATEL)

- **1212 EV charging points** have been commissioned across 15 states
- Additional **740+ EV** charging points are under various stages of construction with EV fleets companies, Govt. Authorities, tourism departments municipal corporations etc.

Ahmedabad, 29th July 2024: Adani Total Gas Ltd (“ATGL”), India’s leading City Gas Distribution company, announced today its operational and financial performance for the full year (FY24) and quarter ended 30st June 2024.

“It has been a good start for FY25 as ATGL delivered a robust operational and financial performance by achieving a 21% YoY EBITDA growth on the back of 17% volume growth,” said **Mr. Suresh P Manglani, ED & CEO of Adani Total Gas** .“During the quarter, ATGL received approval from regulator for the transfer of Letter of Authorization for Jalandhar Geographical Area (GA) which provides high volume growth opportunity to the Company. We have also crossed a significant milestone of 1000+ EV charging points, reaching 1212 EV charging points across multiple locations.

We continue to see more traction on natural gas as we further build CGD infrastructure and penetrate deeper across multiple GAs. With newer energy in form of E-mobilty, LNG and Biomass, we remain fully committed to provide a sustainable energy platform to our consumers and playing role in the country’s energy transition journey .”

About Adani Total Gas

Given its gas distribution, ATGL is authorised in 34 Geographical Areas and plays a significant role in the nation’s efforts to enhance the share of natural gas in its energy mix. Of the 53 GAs, 34 are owned by ATGL and the balance 19 GAs are owned by Indian Oil-Adani Gas Private Limited (IOAGPL) – a 50:50 joint venture between Adani Total Gas Limited and Indian Oil Corporation Limited. Further, ATGL has formed 2 wholly owned subsidiaries namely Adani TotalEnergies E-Mobility Ltd (ATEL) and Adani TotalEnergies Biomass Ltd (ATBL) for its E-Mobility and Biomass Business respectively. ATGL has also formed a 50:50 joint venture, namely Smart Meter Technologies Private Limited for its gas meter manufacturing business. For more information, please visit <https://www.adanigas.com/>
